Título: /Title: Information request concerning an article from the 3rd ICEP

Por: / By: Laurent Cizeron

Questão: /Question:

Dear Sir

We would like to obtain the following article but we didn't succeed to find it anywhere (in a University Library), with my colleague from University, Joseph Fourier (in Grenoble - France):

Souza L C; Robles Y M; Reggiane W P; do Bem E C "Sodium hydroxide substitution at bleaching alkaline stage of Eucalyptus bleached kraft pulp" p. 1-6 (?) in 3rd ICEP - International Colloquium on Eucalyptus Pulp / IIIo Colóquio Internacional sobre Celulose de Eucalipto 4-7 March 2007, Belo Horizonte, Brazil

I can see in your website that there are the articles from the 1st and the 2nd International Colloquium on *Eucalyptus* Pulp I have tried to send an email to you, but there is a problem because I have received

"Undelivered Mail Returned to Sender". Could you please tell us if we could obtain this article? How much does it cost please in order to tell to our patron?

Thanks in advance

Yours faithfully

Resposta por Celso Foelkel: / Answer by Celso Foelkel:

Dear Laurent – thanks for your message.

In a near future all papers from the ICEPs will be available at www.eucalyptus.com.br.

By now, only the two initial *colloquia* are included and available.

However, I have all the papers in the waiting list, and your request is being fulfilled through the attachment.

There is no cost involved – this is a courtesy from us and from Dr. Jorge Colodette, the ICEP's mentor and who has given permission to me to add all papers and speeches in my website to share them with the stakeholders

Thanks for your interest about the *Eucalyptus*.

Best regards

Celso Foelkel
