**Questão: /Question:**

**Hello Celso**

I have come across your site whilst reading up on climate change over the weekend and I found a really interesting resource on this page of your site: [http://www.celso-foelkel.com.br/pinus\\_06.html](http://www.celso-foelkel.com.br/pinus_06.html). Since then I come across a really clever infographic that shows Data about UK farming in a really eye opening way. I had remembered your site so I thought I'd suggest you this resource for your links page or if you really like it, you can embed the infographic on your site.

The Infographic: <https://www.farmmachinerylocator.co.uk/farming-data-in-the-uk/>

Hope you don't mind me reaching out to you like this, but I thought you would find the article a good additional resource on your website as well as being very educational.

Be nice to hear your feedback.

**Kind regards**

**Ivan**

**Thanks Ivan** for your nice words and for the suggestion – Unbelievable the impact of Humans into Nature – the numbers run so fast - in a speed difficult to follow all of them at the same time.  
I'm recommending to my readers to watch this.

**Thanks and best regards**
